

COLLISION REPAIR INFORMATION

FOR THE TOYOTA DEALER

TITLE: AVAILABILITY OF COLLISION
REPAIR MANUALS

PAGE 1 of 2

SECTION: GENERAL INFORMATION BULLETIN #5

MODELS: ALL TOYOTA MODELS

DATE: JANUARY 1986

Today's modern unibody vehicles are very complex in design. Body repairs can be made easier if the factory repair methods are utilized by the body repair technician. Factory approved cutting and sectioning procedures save time and money by providing an alternative to the task of removing numerous spot welds, rewelding and trying to effectively reapply a rust proofing material to the various seams and weld joints.

Toyota's individual Collision Repair Manuals contain repair instructions for cutting and replacing many body and support member components, identification and location of plastic parts and high strength steel components, as well as body seam sealing locations and handy factory body dimension drawings with easy to locate reference points and reference lengths.

The Collision Repair Manuals supplied by Toyota are relatively inexpensive and additional copies may be ordered through the normal non-parts ordering system under the following part numbers:

Model	Year Model	Part Number
Starlet	81-84	00400-36158
Tercel	80-82	00400-98367
Tercel	83-86	00400-36431E 2WD
Tercel	83-86	00400-36432E 4WD
Corolla	80-83	00400-36001
Corolla	84-86	00400-36434E FF/FR
Celica/Supra	82-85	00400-36182
Camry	83-86	00400-36443E
Cressida	81-84	00400-36118
Cressida	85-86	00400-36441E
Cressida Wagon	85-86	00400-36442E
MR2	85-86	00400-36440A
Van	84-86	00400-BRM003E (available soon)

MISCELLANEOUS

Toyota Fundamental Painting Procedures #00400–36438E

The manual covers fundamentals, facilities, tools and equipment, repainting processes, problem areas, safety and cleanliness and an explanation of refinishing terminology.

Toyota Fundamental Collision Repair Manual – (Available soon)

The manual covers body structure, body materials, body repairs, welding techniques and tools and equipment.

C.R.I.B. Binder (Collision Repair Information Bulletins) #00408–03000

The binder is to be used to hold all of the present and forthcoming C.R.I.B. bulletins. All bulletins starting from #1 are included in the purchase of a C.R.I.B. binder.

Toyota Body Dimension Guide #00104–00675–85

This guide covers body dimensions for most Toyota models through the 1985 model year.

NOTE: PLEASE ROUTE THIS BULLETIN TO THE BODY SHOP MANAGER OR INDIVIDUAL ASSOCIATED WITH BODY AND FENDER REPAIRS.
