

COLLISION REPAIR INFORMATION

FOR THE TOYOTA DEALER

TITLE: 1986 PAINT CODE VERSUS FORMULA
INFORMATION

PAGE 1 of 8

SECTION: REFINISH BULLETIN #6
MODELS: ALL 1986 TOYOTA MODELS DISTRIBUTED
IN THE U.S.A.
DATE: JANUARY 1986

The following list of Toyota and U.S. sourced paint codes was obtained from the major U.S. paint suppliers and represents the latest information available at the time of printing.

If you should encounter any difficulties with the paint formulas assigned to the attached formula numbers, we suggest that you contact your local paint supplier who will in turn contact the local warehouse or distributor of the product. If no solution to the problem can be obtained through the local paint supplier or the paint manufacturer's area service representative, we further suggest that you encourage the local paint supplier to have the paint company's representative contact the paint company's regional or national service office for further assistance.

1986 TOYOTA PAINT CODES

The following two-tone color combination information applies to all U.S. refinish paint suppliers.

TWO TONE	COLOR COMBINATIONS
2S8	6H7 & 4E3
